**"DON'T FALL!"**

Century Two-Reel Comedy

Starring **BUDDY MESSINGER**

7 **UDDY'S** parents are poor, so he decides to go out and make the family fortune. He takes with him his friend Bubbles and they start out. They travel in a boxcar and when the baggage-man sees them there is a chase. From the boxcar they jump into a van and after they are chased by the van driver they jump on an automobile in which a moving picture star is driving to the studio. They get inside the studio and after the gateman finds out that the star doesn't know them, there is another chase and they are thrown out of the studio.

They pose as dummies and are taken in the studio. They get into a lot of trouble as they interfere with the different directors on the sets. One of the directors is in need of a colored boy as the one he has been using can't do the work, so when he sees Bubbles he puts him to work and Bubbles does his part so well that they want to sign him up immediately. Buddy acts as his manager and at times gets temperamental as to letting Bubbles do certain things. Bubbles finally becomes a big star with Buddy as his manager and the family fortune is made.
